SHGC AGM 1983

A.G.M. REPORT

Saturday 12 November 83

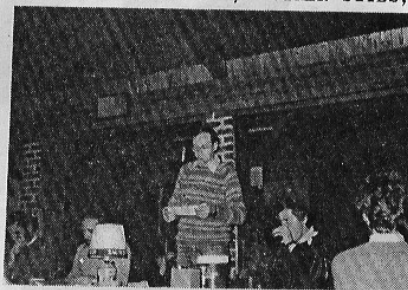

7:30 pm

Devil's Dyke Hotel

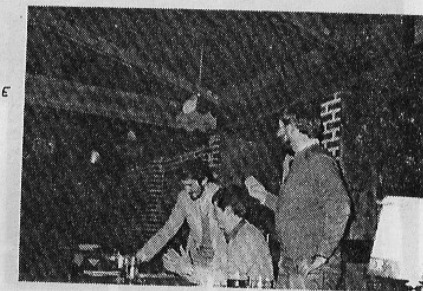

This years A.G.M. held in the Devils Dyke Restaurant proved to be a riotous one (as usual). The evening was kicked off by Dave Bluett, our Chairman who gave the Club Status Report.

Dave made the following comments....

- a/ Membership, Now levelled off 120-140. More new members attracted.
- b/ 1983 Had been a good year for flying.
- c/ Sites.
 - 1/ BEACHY HEAD. Relations O.K. with Council and Permissive Byelaw in force.
 - 2/ DYKE. Improvement in relations with Farmer (due perhaps to less crop landings) and excellent facilities now being available to us by new pub landlord.
 - 3/ DITCHLING. New Farmer, negotiations taking place.
 - 4/ BOSTAL HILL (FIRLE). Problems with carparking, land owners to be approached.
 - 5/ MILL HILL. Prohibitive Byelaw in force. Licence submitted to Council.
 - 6/ OTHER SITES, NEWHAVEN, HASTINGS. As usual.

THE COMMITTEE

WINDSOCK.

This is where I interrupted Dave to say my "party piece" (it seemed to get a few laughs). More members contributing articles, more advertising attracted. It goes out once a month (give or take a week) if this continues then we shall have a great mag.

SAFETY OFFICER

Dave Rusbridge gave a "quick" resumé of accidents, quick because either our accident record is good or no-one has reported their accidents.

a/ Committee stood down.

b/ Re-election of Committee.

This is where the excitement began. All committee members were re-elected except D. Rusbridge who stood down and Kelvin Wilson took his place. Peter Day was to stand down but Gary Williams due to be put forward had to decline as he now has a job in America so Peter is back yet again.

An assistant site's officer was proposed however, instead, Vince Hallam was proposed, by Pepe Martello, for sites officer. I stood against Vince and was re-elected but the vote was close.

Dave Woolford was co-opted on to the windssock Team.

FOOD SERVED.

Den and Pam provided an excellent buffet for us to demolish.

KELVIN WILSON (NEW SAFETY OFFICER)

PEPE COLLECTS HIS FOSTERS

ANY OTHER BUSINESS

This was the riotous bit fuelled perhaps by a fair bit of "tipping it down the neck routine" i.e. Boozing.

COMPETITIONS

There was a fairly heated debate here started by "Spanish" Joe. Joe's "beef" was that there were two competitions running almost identical and there was no provision for "week-end flyer comps". After some ear-bashing there was a vote for the club to drop its competition and fully support the Sussex A C League which passed unanimously.

CONT D

SITES

This is where I came in for a bit of "stick"! The problem appears to be that we have no South West Sites (officially). Mill Hill is discouraged because of the Byelaw but people still fly there. Mount Cabourn a S.S.W site some club members flew but had no infoon and what other sites could the club get i.e. the S.W. at the back of the Long Man. Some people thought the best idea was to go and fly a site and be damned with it, (which I disagree with totally). Anyway the upshot of all this is that more effort is to be put into finding a S.W. site and that, starting NEXT month, full information on all sites in Sussex, official or unofficial, legal or illegal, should be made available to the membership. I have been offered help from Dave Perrin (Instructor Airtime) in this work and I have gratefully accepted his offer.

PRESENTATIONS

As usual Michael Carnet won everything, the Club XC Comp, Sussex XC League. Tim Bardon came equal second to Johnny Carr in the Sussex XC League and Tim also came 1st Novice in the Club Comp. 2nd was Dave Rusbridge and Pepe Martello 3rd Novice. Both Dave and Pepe received ½ dozen Posters each donated by Phoenix Brewery (Poster's Distributor)

DAVE RUSBRIDGE

THE VIDEO

"Playground in The Sky" Obtained by Videographic (Eddie Horsfield).

This was the best movie I have seen for ages.

LOGO COMPETITION

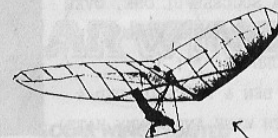

Won by Jill Robinson (Keith Reynold's girlfriend). See front page.

Runner up was a design by Ian Butcher.

All in all not a bad A.G.M. attendance being low however. There were about 45 - 50 people only 35 - 40 of whom were members. END

YOU SEND THEM, WE WILL PRINT THEM

Dear Chris,

Hope you find a photograph here that will be some good. I did not have
 a decent camera so took very few pictures myself.

I'm afraid I did not get time to write an article but the places where
 I flew included:

LOS ANGELES	
SAN FRANCISCO	
THE OWENS VALLEY	CALIFORNIA
SACRAMENTO	
SAN DIEGO	
FRESNO	
REDDING	
RENO	NEVADA
CARSON CITY	
GRANTS PASS	OREGON
TELURIDE - - - - -	COLORADO

LAUNCH
 AREA

I more than doubled my previous airtime while out there flying 17
 different sites in all (mostly mountain sites) and flew in some
 excellent conditions weather wise.

Thanks

Claire Jarvis

Bear Chris,

Concerning the Christmas issue of Windsock. "Flattery will get you everywhere"
 you've got me down as 60 instead of 69.

Best wishes and a Merry Christmas

EXTRACT FROM " DRACHENFLIEGER " GERMAN MAGAZINE 12/83

The first European Hang Gliding Cup for seniors in Kössen: was a great success.
 The pilots in group A who had to be older than 45 and in group B who had to be
 older than 55 years came from Germany, Austria, Switzerland and England.
 Robert Donaldson seventy year old Englishman (ED 70 ?) was not only the oldest
 participant but the most well groomed competition pilot who flew in Kössen
 never without a tie and never without a freshly ironed shirt.
 The winner in group A was Hubert Schlomer from Austria, and Max Haindt from
 Germany won in group B. In 84 the cup will take place in Switzerland organiser
 Storchmann said.

Dear club secretary,

I am writing to you as the new secretary of the Dales club, to inform you and your members of a few changes with one of our primary sites, Wether Fell. We have had a few problems with the farmer following cattle escaping from an open gate, and other related matters.

It was decided at a recent AGM to continue our policy of welcoming visitors to this site. However, it must be stressed that any visitors will be expected to have obtained a recent site guide and to have contacted the club before arriving.

There are now special rules at Gt. Whernside, Stags Fell and Wether Fell which must be adhered to if we are not to lose the site.

Site guides may be obtained free of charge from me on a return basis. Associate membership is only £5 which includes a site guide. A real bargain!
(+£4 joining fee)

I hope all is well down your neck of the woods and can you please pass this information on to your members.

good flying,
yours faithfully,

WHAT DID YOU DO IN 1984?

Will you look back at your diary this time next year and find it full of entries like: "Went to Dyke, blown out", "Visited Firie, wind too easterly", "Flying at Newhaven, managed to get 50 feet above cliff", "Excellent day at beachy, only three people drowned and sixteen old age pensioners knocked unconscious....."

Or will it have entries like "First flight in sunny Spain, stayed up for three hours, mostly at 6 or 7000 feet" and "Did a little XC to Tremp (only 35 km this time), still the beer was cheap in the bar next to my landing..."

Don't dream it. Do it! For around £250 you can have the best two weeks of your flying year flying in Catalonia. For full details ring Alan Russell on the number below, or speak to me on the hill.
